

Website Competition Entry for Men

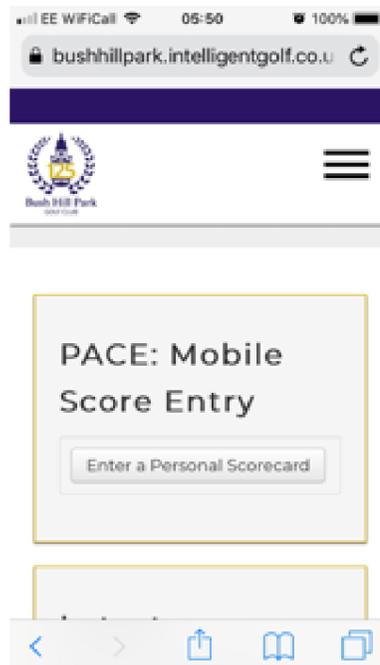

1. Competitions are entered through "Upcoming Competitions", which can be accessed either directly in the homepage or through the menu.
2. The example screenshots below are for accessing through the menu, which we recommend if entering a competition on the day.
3. If entering a competition prior to the day, then it is quicker and easier to enter directly on the homepage.
4. If entering a competition on the day directly on the homepage then one has to tap on "Show all" in "Upcoming Competitions" to reveal the online signup button.
5. The below screenshots are taken on an iPhone, but this task can be performed on other smartphones, a computer or tablet.
