FAQs

What restrictions are there versus full membership?

There are no restrictions playing at Bush Hill Park Golf Club and in away matches at all, you simply use credits depending on the time you play or the events that you enter.

Can I purchase additional credits? If you use your initial 260 credits you can purchase additional 130 credit bundles for £337.50.

Can I bring guests? You can bring guests at any time, subject to payment of the relevant guest fee.

Can I attend social events? As a member you are encouraged to attend all club events.

Can I get a handicap? You will be a member of Middlesex County Union and England Golf and are therefore eligible to obtain a CONGU handicap. The Professional team can assist you with the process. County and England Golf Affiliation fees apply.

How do I book a tee time? Tee times can be booked up to 14-days in advance, either online or by calling the Pro Shop.

Can I play in Club competitions & matches against other clubs? You can play in all Club competitions, knockouts and matches. Competitions, knockouts and Club matches are charged at the 'Peak' credit rate and are subject to meeting any competition entry criteria.*

Can I upgrade to Full Membership? You can upgrade to full membership at any time and we will credit any remaining balance of your Lifestyle Credits towards the pro rata balance of the full membership fee.

Can I Play at the Courses with Reciprocal Agreements using my credits? The 1895 Clubs & Association of James Braid Courses are included, however Hendon, Mill Hill & North Middlesex do not include Lifestyle members in the reciprocity.

Can I carry over unused credits? Your initial 260 credit bundles will expire after a year, however any unused top up credits can be carried over, subject to your renewal on 1st April.

Do I get a refund if I don't play a full 18-Holes? The credit charge is based on the tee reservation and unfortunately there are no refunds or discounts for shortened rounds. Except for course closure mid round.

Do I get a bar card? You will receive a member card and this needs to be topped up with a starting credit of £100 to use at the club. Your membership card entitles you to a 10% discount against all food & drinks purchases and your card can be topped up throughout the year.

How do I join? Simply complete this form, return it to the club and we'll take care of the rest. We will take you through all the arrangements and ensure that you can start to enjoy your membership immediately.

* - Lifestyle members are able to play in Honours Boards Competitions and a Premium Credit Rate of 20 credits will apply.
